

# The Commandments of the Lord Jesus Christ

Peter J Gadsden

Many people and that includes Christians fail to grasp the fact that, Jesus, in the Gospels, laid down the great foundational principles and laws to govern the children of God during the entire church age.

The Commandments of the Kingdom are given under twenty-one principles we have no time to go through them, but examine them yourself. There are in the words of the Lord Jesus two great foundational commandments, which are in fact a summary of the Old Law: *“Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets.”* Matthew 22:37-40.

Although the New Testament is about one third the size of the Old, there are many more laws contained within it. Therefore those Christian's who think that they are able to live with rule, must think again. Below I have given 147 of these rules or commands.
